

# THE BRIO SCREEN DOOR KIT ~ INCLUDES SCREEN AND FRAME

## BE A PROBLEM SOLVER AND PROVIDE A SCREEN SOLUTION FOR YOUR CUSTOMERS WITH FOLDING DOOR SYSTEMS

For openings up to 10'6" high by 32' wide  
Brio 612 Retractable Pleated Insect Screens are available

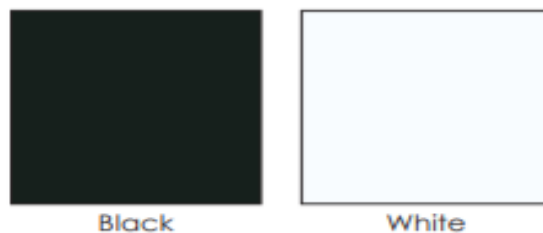

Exterior folding systems blend indoor living areas with outdoor spaces to reveal an uninterrupted view removing the need for fixed panels or corner posts which allows maximum sunlight and fresh air to enter.

- ◇ Brio Retractable Pleated Insect Screen Door has been designed to work perfectly in a home or workplace.
- ◇ The Brio Retractable Pleated Insect Screen is the largest of its kind on the market, offering innovative and functional ways to screen large openings while protecting from annoying insects.
- ◇ A single screen can span 10'6" x 16' wide, accommodating a wide opening unit. A double screen can span 10'6" high by 32' wide.
- ◇ The Brio Screen uses the latest European PVC coated polyester mesh with UV protection technology.
- ◇ Screens come in three powder coat colors - Black and Pearl White.
